

Our wines are like siblings. They all share Chardonnay origins- they are similar, yet each has its own personality. Our wines are like you, like me- sometimes reserved or shy, sometimes flirtatious, high-spirited or laughing. They evolve and mature but never lie. They are authentic, in short, alive. Over vintages and time, they unveil their multiple facets. Love them simply for who they are and they will give back tenfold.

M Â C O N - C H A I N T R É

THE MÂCON-CHAINTRÉ THAT WE PRODUCE is created from different plots, each one bringing to this wine something unique. All the plots are located at the foothills of Chaintré rooted in a clay-limestone soil beaded with fluvial pebbles. We bite into a Chaintré like a green apple, using all our teeth! It is juicy and refreshing. We bite and we are bitten by its charm, put under a spell by its exuberant nose and dashing white flower, fresh fruit and citrus zest aromas. A glass of Chaintré in hand is a flower on a lapel, a crisp water colour, it's spring weather that warms life. A glass of happiness, carefree and hopeful...
