

Our wines are like siblings. They all share Chardonnay origins- they are similar, yet each has its own personality. Our wines are like you, like me- sometimes reserved or shy, sometimes flirtatious, high-spirited or laughing. They evolve and mature but never lie. They are authentic, in short, alive. Over vintages and time, they unveil their multiple facets. Love them simply for who they are and they will give back tenfold.

## MÂCON-CHAINTRÉ, « LES SERREUXDIÈRES »

### CREATED FROM ONE PLOT “LES SERREUDIÈRES”

le Mâcon-Chaintré has its feet in clay and its shoulders facing east. Defining Mâcon-Chaintré? It's a wine of indulgence... upfront, authentic and generous to a tee. If a wine could be made in the image of its winemaker, the Mâcon-Chaintré is his best illustration. Relish in its vast palate of exotic fruit and citrus aromas. Don't worry about finding its perfect culinary match... whatever you choose, this loyal companion will never let your taste buds down and will be a perfect guest at any event!
