

Our wines are like siblings. They all share Chardonnay origins- they are similar, yet each has its own personality. Our wines are like you, like me- sometimes reserved or shy, sometimes flirtatious, high-spirited or laughing. They evolve and mature but never lie. They are authentic, in short, alive. Over vintages and time, they unveil their multiple facets. Love them simply for who they are and they will give back tenfold.

POUILLY-FUISSÉ « CLOS REYSSIÉ »

CHAINTRÉ WAS ALREADY WELL KNOWN IN ROMAN TIMES because of its strategic location on the North-South route near the Saône River. They built a very large Gallo-Roman village: the city of CANTRIACA, where the name Chaintré finds its origins. The surrounding hillsides being well exposed to a south-east light, they decided to plant vines there as early as the 3rd century.

One this very site, in the 19th century, Monsieur Reyssié planted Chardonnay, turning the one of the Pouilly-Fuissé terroirs into a star.

Comfortably rooted on its gentle slope, Clos Reyssié draws its strength and personality from the rich and deep clay residue of its terroir. Its fruit-filled, well-ripened personality enhances its smooth yellow peach and exotic fruit aromas. Happiest when side by side with a delightful menu, it is tireless in its efforts to dazzle poultry in cream, fish in sauce...as well as hearty appetites!
