

Our wines are like siblings. They all share Chardonnay origins- they are similar, yet each has its own personality. Our wines are like you, like me- sometimes reserved or shy, sometimes flirtatious, high-spirited or laughing. They evolve and mature but never lie. They are authentic, in short, alive. Over vintages and time, they unveil their multiple facets. Love them simply for who they are and they will give back tenfold.

## SAINT-VÉРАН « LES SERREUXDIÈRES »

## OVERLOOKING THE VILLAGE OF CHÂNES

and its picture perfect Roman church, the plot gazes over the Saône River valley and the rising sun. Rooted in clay, it has a bird's eye view of "Les Serreuxdières".

In the land of Mâcons, it's considered local royalty. Clinging on to the heights, the quaint sire behaves like a saint...for whom we would happily be damned! A timid adolescent, who needs to get its bearings before unveiling pear and candied orange traits as well as its mineral side. Upon adulthood, its generosity is well wed to a bouquet of shrimp, a crab salad or some beautiful Saint-Jacques scallops. A perfect match...
